When there is an issue of hair loss or thin hair, balance to the kidney energy must be restored. Loss of hair color is also related to a decrease in kidney energy. Boosting the kidney energy results in the return of natural hair color. The ingredients in Formula A are known to promote hair fitness and grow more hair. Formula B is designed to bring hair back to original hair color. This product also increases the healing of fractures if NHP 25A and NHP 35 are used together.
