03 Feb 2004

I have been trying to quit smoking for the last year. I have tried Hypnosis, Zyban, the patch, the gum, but nothing work until this products called Canada Quitz by Natural Herbal Products Inc. I was very skeptical at first since nothing else would work,however I have purchased the Canada Quitz kit and just after four days I had absolutely no cravings. I went through the program and now I am smoke free. Thanks to the Natural Herbal Products Inc. for the Canada Quitz Program. My desire to quit and I am now free of Smoking at last. I would highly recommend to anyone who has the desire to quit. Oh! By the way , I smoked for 27 years.
